RED MEN MEET

The Big Pow-Wow—Heap Big Injun—Heap Big Talk—Heap Big Eat.

Wyandotte Improved Order of Red Men "touched off" another big success yesterday in the entertainment of the district meeting of the Great Council of Kentucky. The reputation of this tribe has gone forth all over the State so much so that the Great Chiefs each year look longingly to Wyandotte Tribe for an invitation to meet with them. And Wyandotte Tribe is always "Way Out" on the invitation talk.

Red Men to the number of near one hundred and fifty from over the district were in attendance. Early in the day warriors, braves, scouts, mystery men, and the Big Sachems began to trail into our hunting grounds. In addition to the large number of visitors the following official representatives of their tribes were present: B. B. Markwell of Kennebunk Tribe; J. C. Taylor of Acoma; J. E. Bevard of Suwanee; E. T. Harding of Logan; R. L. Courtney of Scioto; Pat Kennon of Atigo; Steve Reese of Niagara; Duke White of Wyandotte; J. F. Campbell of Neosho; J. T. Raymond of Kaho; Milton Galbraith of Sago; D. P. Sparks of Pan-beahghnaughsinque; and old friend, "Bob" Pollitt, the "wabanue" that made Wyandotte Tribe famous.

Great Sachem Dr. W. A. Kellar, Great Chief of Records; J. M. Holstner and Great Council Exemplifier F. J. Kimbrell of Louisville, were present for the business end of the meeting. Dr. Kellar is establishing a record for a thorough business administration of his office. He is a fine, high-class gentleman, who gives dignity and prestige to his chieftancy.

The afternoon meetings were especially good. The great council fire was kindled; reports of tribes were given; twelve past sachems were given the Great Council degree. The Great Sachem gave a long talk and conducted a question box in the interest of the Order. Great Chief of Records Holstner held a meeting of the Chief of Records of all Tribes present and gave them much helpful instruction. Exemplifier presented the secret work of the Order.

At 7:30 came the crowning meeting of all. The wigwam was packed to its limit. This meeting was for the purpose of exemplifying the degree work Wyandotte's team was "on the job" and put the pale-face that was captured through all the degrees in the latest and most approved Indian fashion.

At the conclusion of the work Big Chief "Bill" Traxel showed the Indians how a big Indian could dispense ice cream. Assisted by the degree team the large crowd was soon regaling themselves with "Traxel's Best." After the eats came the smokes and after the smokes the big talks. Truly it was good to be there. Such chunks of oratory! It was one big pow-wow for sure. The Great Sachem and the visitors were exceedingly generous in their praise of the work of Wyandotte's degree team, and the hospitality of the

MRS. WINN'S ADVICE TO WOMEN

Take Lydia E. Pinkham's Vegetable Compound and be Restored to Health.

Kansas City, Mo.—"The doctors told me I would never be a mother. Every month the pains were so bad that I could not bear my weight on one foot. I began taking Lydia E. Pinkham's Vegetable Compound and had not finished the first bottle when I felt greatly relieved and I took it until it made me sound and well, and I now have two fine baby girls. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for what it has done for me. I always speak a word in favor of your medicine to other women who suffer when I have an opportunity."—Mrs. H. T. WINN, 1225 Fremont Ave., Kansas City, Mo.

Read What Another Woman Says:

Cumming, Ga.—"I tell some suffering woman every day of Lydia E. Pinkham's Vegetable Compound and what it has done for me. I could not eat or sleep, had a bad stomach and was in misery all the time. I could not do my housework or walk any distance without suffering great pain. I tried doctors' medicines and different patent medicines but failed to get relief. My husband brought home your Vegetable Compound and in two weeks I could eat anything, could sleep like a healthy baby, and walk a long distance without feeling tired. I can highly recommend your Vegetable Compound to women who suffer as I did, and you are at liberty to use this letter."—Mrs. CHARLIE BAILEY, R. 3, Cumming, Ga.

The Wise Old Miller

knows there are as many grades and kinds of Corn Flakes as there are grades and kinds of Flour

To tell the best—the kind that affords the biggest money's worth and most satisfaction to the consumer—is easy for an old miller or food expert.

But the purchaser who doesn't know, must be protected. That is why the producers of the very finest Corn Flakes didn't call them "Jones' Corn Flakes" or "Smith's Corn Flakes."

These Superior Corn Flakes were given a name that is distinctive—

Post Toasties

The average housekeeper has, likely enough, tried some of the various "Corn Flakes" on the market. To realize the perfection of taste in toasted Indian corn—cooked, rolled and seasoned with sugar and salt just as it ought to be—one should order Post Toasties.

These famous Corn Flakes have been the favorite for years among chefs and food connoisseurs. They come ready to eat in sealed packages with an Inside Container that keeps this delicious food crisp, fresh and clean for the table. And the price is no higher than the cost of ordinary kinds.

Insist upon your grocer supplying the Superior Corn Flakes—
